e5

If you are thinking of pursuing a career in the Arts NOW is the best time to build your portfolio

As yet robots and artificial intelligence can't replicate human creativity.....

GETTING AN ART DEGREE LEADS TO MANY CAREER OPPORTUNITIES

Jobs can range from graphic, interior, fashion, game, car designer, digital manager social media manager, art curator, teacher, creative director, photographer, public relations, event manager, stylist, architect, animator, video editor, illustrator, even a Vintage sustainability manager...

A strong portfolio is essential as a one-way ticket when applying for art universities.
The perfect portfolio will not only communicate technical skills but it's an amplification of the student's voice & unique DNA. It's basically a career calling card.

We get it! **e5** portfolio is in the business of building people with our 5 step program we can help you grow as a person and achieve the impressive portfolio to get into top Art Universities.

We accompany you through to adulthood and from school to a top university. We help you transform from where you are now to where you want to be.
